## BUSINESS PARTNERSHIP PROGRAM 2016 SPONSORSHIP OPPORTUNITIES

Please consider partnering with the Butler Health System Foundation through a sponsorship of our fundraising events from January 1, 2016 through December 31, 2016.

The BHS Foundation supports the Mission of Butler Health System by providing avenues for individuals, corporations and philanthropic organizations to support the programs and services of BHS.

A sponsorship provides a great source of recognition and visibility.

In addition to the benefit of participating in each of the Foundation’s events, some sponsors are recognized in invitations and other promotional materials. All sponsors are recognized on our permanent donor display. Less tangible benefits include prime opportunities to interact with the leadership of the hospital at special events.

Year-long sponsorships provide the Foundation with financial commitments that we know we can count on, and our sponsors know they will only be solicited once in any given year.
